

2023

NJ TransAction Conference

Speakers & Moderators Registration Policy

TO: All Session Coordinators, Moderators, Speakers, and Presenters

Speakers, Presenters, and Moderators...

- **All speakers, presenters and moderators are expected to register for the TransAction Conference and pay the appropriate registration fee.**
- Speakers, presenters and moderators who are only attending the conference for their session presentation may ask for their registration fee to be waived... but still must register through the online registration application. Speakers, presenters and moderators whose registration fee is waived will not receive tickets for meals or gifts.
- The NJ TransAction Conference does not have a special pricing for speakers, presenters or moderators.
- All speakers, presenters and moderators must register for the conference and wear their name badge into the workshop and exhibit hall.

The policy to have all speakers, presenters and moderators register for the conference was established more than 35 years ago in an effort to keep the registration fee as low as possible so we can attract the maximum number of attendees, which benefit the speakers and attendee's employers.

To meet that goal, it is imperative that we not give (or limit) complimentary registration to the more than 200 speakers, presenters, and moderators that participate in the TransAction Conference each year. In exceptional cases this may be waived, i.e. government agency personnel who travel a long distance to participate in the conference.
